

African Corporate Cleaning is digitising its temporary cleaning work opportunities using Endeavour, a smart phone application. All temporary cleaning jobs will be posted via the app directly to the phones of its registered cleaning staff.

Linking temporary cleaning staff to available work opportunities quickly and easily

What is Endeavour?

Endeavour is a free app that notifies registered cleaning staff of temporary job opportunities, making it easier to connect staff to jobs and to pay staff quickly.

Why Endeavour?

Ensures temporary work opportunities are filled quickly and easily

Helps maintain excellent client service levels

Simplifies the administration and payment of temporary cleaning staff

Register as a temporary worker

All new and existing temporary cleaning staff at African Corporate Cleaning need to complete the easy registration process on Endeavour.

How will Endeavour benefit me?

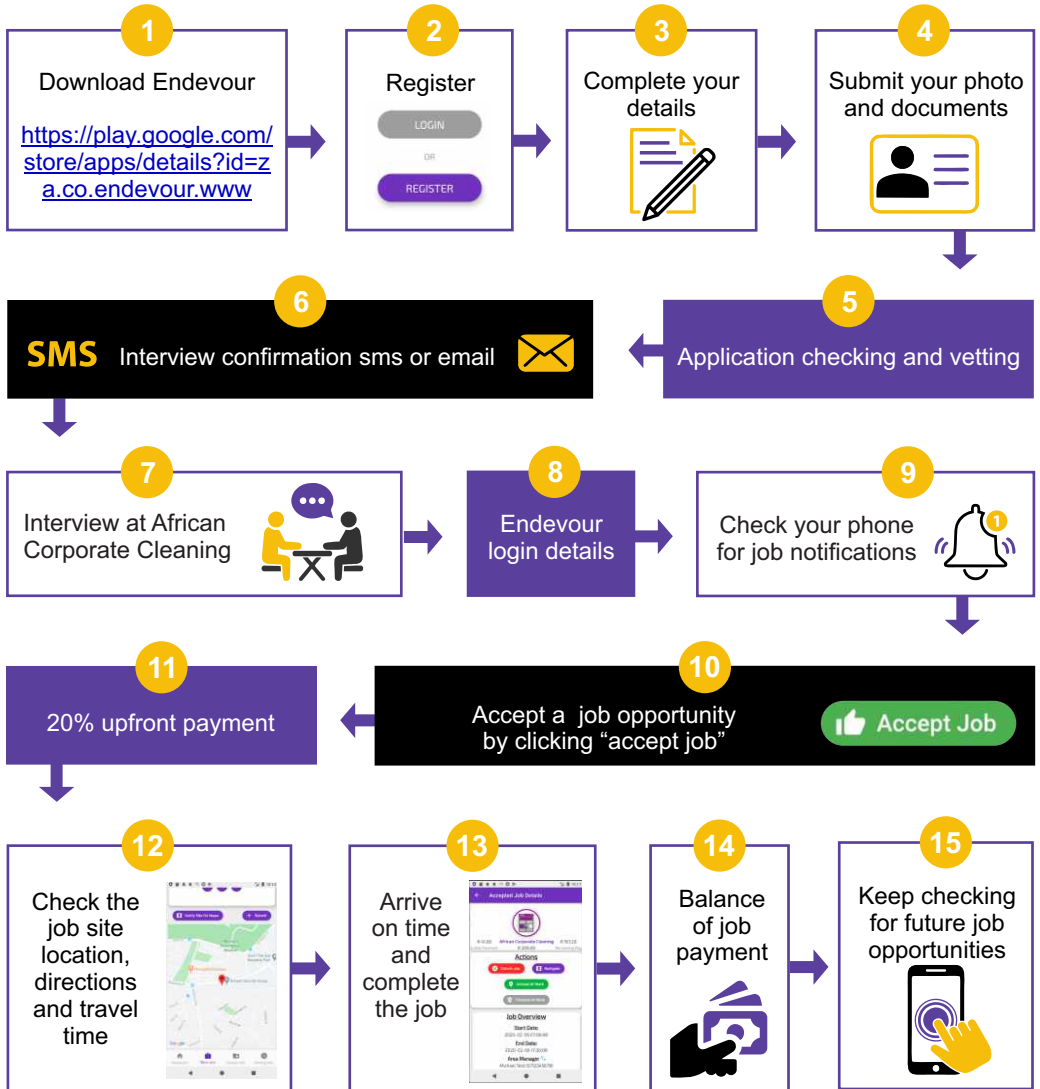

All registered cleaning staff on Endeavour will know immediately if a temporary job opportunity becomes available.

- Receive smart phone notifications of job opportunities
- Accept a job by pressing a button
- Receive 20% of the job's payment upfront
- Receive the balance of the payment once the job is completed
- Easily navigate directions, distance and travel time to the job site

- 1 Download the app
- 2 Complete your details
- 3 Submit your information
- 4 Attend an interview
- 5 Use login details to start using Endeavour

Register now and take your first step in receiving on-going temporary work opportunities

Keeping you informed of available temporary cleaning work
